<p>MEDIA LOUNGE Rating for retail property - a must or an option? Ratings have long since grown beyond being just a way of fulfilling the minimum requirements of the banking authorities. They help in making comparisons of investment opportunities and in assessing risk. How do ratings of retail property work, and will they become indispensable?</p> <p>Moderator: Ralf Hartmann, Freelance Reporter, Business and Economic Affairs</p> <p>Participant: Wolfgang R. Bays, Brune Consulting GmbH, Düsseldorf Olaf Jahn, Vice Executive Officer, Activ Consult Real Estate GmbH, Frankfurt Dr. Helmut Knepel, Executive Board, FERI Rating & Research AG, Bad Homburg, Germany Christian Lange, Authorised representative & Head of Real Estate and Location Valuation, Metro Group Asset Management, Ukraine</p>	<p>Mon, 10/06/2008 15:00 - 15:30 h</p>	<p>Hall C2</p>
<p>MEDIA LOUNGE Trends 2009 - What is happening in the property market in Europe? Will we be seeing more major sales and purchases? Or will transactions tend to remain small? Who are tomorrow's players? And where is the journey headed?</p> <p>Moderator: Ralf Hartmann, Freelance Reporter, Business and Economic Affairs</p> <p>Participant: Claus-Jürgen Cohausz, Chairman of the Real Estate Financing Commission of "VÖB Bundesverband öffentlicher Banken Deutschlands", Member of the Management Board, Westdeutsche ImmobilienBank AG, Mainz Klaus Franken, Managing Partner, Catella Property Group, Düsseldorf Barbara A. <p>MEDIA LOUNGE Der große Capital-Ferienimmobilienkompass - wo das Investieren lohnt.</p> <p>Moderator: Ralf Hartmann, Freelance Reporter, Business and Economic Affairs</p> <p>Participant: Jörg Buchen, Member of the Board, Engel & Völkers AG, Hamburg Wolfgang Ludwig, Deputy Editor in Chief, Wirtschaftsmagazin Capital, Cologne Peter Schöllhorn, Managing Committee, Deutsche Schutzvereinigung Auslandsimmobilien e.V., Freiburg Joachim Semrau, Porta Mallorquina Real Estate S.L., Artà - Illes Balears, Spain</p>	<p>Mon, 10/06/2008 17:00 - 17:30 h</p>	<p>Hall C2</p>
<p>MEDIA LOUNGE The new Corporate Governance Standard - Is it a competitive advantage? Scandal makes the headlines. Is a quality seal becoming a must? The Corporate Governance Initiative (ICG) of the German property industry has developed a certification system that takes into account national and international standards. It is more than just a tool to fight corruption and should offer many benefits (attractive to investors, customers and employees, release from liability, attracting equity etc.). What is the advantage of certification? What is behind it? Pilot companies report on their experience.</p> <p>Moderator: Ralf Hartmann, Freelance Reporter, Business and Economic Affairs</p> <p>Participant: Bernhard H. Hansen, Chairman of the Management Board, Vivico Real Estate GmbH Werner Knips, Managing Partner Real Estate Practice EMEA/Private Equity Practice Germany, Heidrick & Struggles Unternehmensberatung GmbH & Co. MEDIA LOUNGE Russian VIP Cocktail	Tue, 10/07/2008 18:00 - 19:00 h	Hall C2
MEDIA LOUNGE Eco-office - Office blocks of the future? Innovative property is looking to exploit the passive model, architects are increasingly coming up with environmentally friendly designs, and a good energy balance is seen as a success factor. But what should the sector really be concentrating on when it comes to 'green buildings'. Moderator: Ralf Hartmann, Freelance Reporter, Business and Economic Affairs Participant: Dr. Michael Bauer, Engineer, Drees&Sommer AG Advanced Building Technologies GmbH, Stuttgart Hubert Lakenbrink, Project coordinator, Iba Hamburg GmbH, Hamburg Lars Bernhard Dr.-Ing. Schöne, CEO, DeTelImmobilien, Niederlassung Region Bayern Prof.Dr.-Ing. Josef Zimmermann, Ordinarius, Bauprozessmanagement und Immobilienentwicklung, Technische Universität of Munich, Munich	Wed, 10/08/2008 10:00 - 10:30 h	Hall C2
MEDIA LOUNGE Zero-energy cities - A reality or science fiction? 'Zero emissions' and 'zero waste' are the new buzz words. Masdar, the eco-city on the Persian Gulf, and the Chinese projects of Dontan and Synia all share the same vision - creating new cities with minimum energy consumption and CO2 emissions. But does it all work? Moderator: Ralf Hartmann, Freelance Reporter, Business and Economic Affairs Participant: Jürgen Hogrefe, Chief Representative, EnBW, Berlin Prof. Dr. Ing. Thomas Jocher, Architect, Architekturbüro Fink&Jocher, Munich	Wed, 10/08/2008 11:00 - 11:30 h	Hall C2
