Retail

Retailers have a strong presence at Europe's biggest trade fair for property and investment. You will meet retailers, project developers, investors and partners of the retail sector at numerous exhibitors' booths and at the Grand Plaza. Ideal for cultivating your network and making valuable contacts.

Intelligent Urbanization

By 2050 one of three people will live in big cities - also a challenge for the property industry. How will we meet it? Which concepts ensure mobility and quality of life? What does all this mean from a purely economic point of view? Experts from research and practice will discuss and present these issues in the INTELLIGENT URBANIZATION FORUM.
